Living life on the go as a road warrior just got a whole lot easier with Pelican's Mobile Protect backpack. Choose from 20L, 25L and 35L capacities. This pack features a water-resistant, 1000D Nylon outer shell with molded EVA shoulder straps and back panel. You'll have plenty of comfort and room for your tools with a large main compartment with organizer, side pockets and a convenient outer vertical pocket for easy reach. A top zipper pocket holds your essentials within easy reach, and each zipper features coated pulls and water-resistant YKK zippers. A dedicated laptop and media (PL4001) or tablet pocket (PL4000 | PL4002) keep your mobile coms well-protected and within easy reach. Comfortable shoulder straps with an adjustable sternum strap keep this pack secure and in place on your back.
