

ABOUT US

Back in 2008, we committed to shake up an old industry. Our goal is to keep you moving in style with cool, thoughtfully-designed bags and tablet cases.

Since then, the streets of New York have provided us with endless inspiration. Everything we design has unique style, sparked by the sights and sounds of the city. While New York is a place we call home, that dynamic spirit translates everywhere.

With Logomark's exclusive partnership with Solo, you can customize your bag and have your brand's logo, backed by Solo's five year guarantee.
